Resident Spotlight – Bernice H.

**Bravo
Bernice!**

What a great week we had getting to know Bernice H. She has been celebrating life, love and family for 100 years! She grew up right outside of Oostburg and was raised as an only child – she fondly remembers being quite spoiled.

Bernice met her husband on a whim. He was driving around town with friends and noticed a group of girls. According to him, he got the CUTEST girl of the group to take an interest in him by showing her his pocket watch. The rest is history.

Bernice held many jobs ranging from working in the rain coat factory, a milk plant, then to Deutschland Plastics later on. Her most prestigious job title, though, is **Mother**. She raised nine kids – 5 sons and 4 daughters, which has led to over 40 grandkids, nearly 50 great-grandkids and 2 great-great grandchildren.

For years, each and every kid, grandkid and so on would receive a birthday card with a \$2 bill. Raising such a large family is no cake walk, but if you ask any of her grandchildren, they would say, “I’m grandma’s **favorite**.”

Interns are now stepping “Out”

Our two interns, Amy and Melissa, wrapped up their projects and work here on August 18th. They had been interning with us for the summer months.

Amy worked with Dana on marketing materials and strategies for SSC. She recently earned her degree in Marketing from Lakeland University. She took a course on non-profit organizations this summer, so she felt it was very helpful to intern at SSC and apply what she learned. Her vision has been to pursue marketing ever since high school, and believes it is her passion for life. Her perfect job placement would be working in trade shows or fund-raisers that provide opportunities to do some traveling. A fun fact about Amy is that she has never flown in a plane before. Amy said SSC was a GREAT place to work, both the physical building and the people who care for our residents She gave us a 10!

Melissa assisted Brent in HR. She will return to classes at Lakeland University this fall and will graduate in May 2017 with a degree in Business Administration with an emphasis on Human Resources. She said her experience here was instrumental in expanding her skills in H.R. and felt Brent was a fantastic mentor.

Thank you Amy and Melissa – You Have Made a Difference!

**ONE YEAR ANNIVERSARY:
OCTOBER 1, 2016**

Calling all residents! We have reason to CELEBRATE. On Saturday, October 1st we will have been in our new facility for one full year. To honor this achievement and our growth since then, we are hosting an “Anniversary Celebration” for you and up to four (4) family members.

Stop by Sheboygan Senior Community from 1:30 to 4pm on Saturday, October 1 for music in the Tree of Life room featuring our very own Friendly Voices. We will also be serving desserts and beverages in our Training Room. We hope to see you all there to commemorate our big move and our accomplishments from the past year. Formal invitations will be sent out in September.

Employee Spotlight – Marissa G., RN

Marissa has been working at SSC for one year and on July 25, 2016 she passed her boards to become an RN! *A huge accomplishment that deserves to be noted.* Marissa has known since middle school that she wanted to become a nurse. “My dad became a nurse when I was around 5 years old and I view him as a role model.” She says the best thing about her job is seeing the progress residents make to get better and helping them along the way. One aspect about being a nurse she didn’t expect? The amount of paperwork. “Way before I was in the healthcare field, I didn’t realize how much paperwork there would be!” A little known fact about Marissa is that she has practiced yoga every day for the past couple years. She says, “yoga has taught me patience and dedication.” We thank Marissa for her patience and dedication to her work with our residents and congratulate her on becoming an RN.

From the Desk of Paul Treffert

Greetings SSC Residents, Families and Friends-

Please join me in welcoming Lisa Hill to SSC as our Director of Nursing. Lisa worked here as an agency nurse for almost four years, and prior to that was a Director of Nursing for ten years in another facility. She has the perfect combination of leadership, experience and clinical expertise. She is already off to a great start and we are lucky to have her on our team. Welcome, Lisa!!!

It is hard to believe that on October 1st we will be celebrating our One Year Anniversary in our beautiful new building. As part of the final construction wrap-up related to being here 12 months, in the next few weeks you will see contractors making final repairs and improvements in some areas. We apologize in advance for the inconvenience.

Moving on, in the next few weeks we will be installing a vending machine in Café Redwood. This will allow us to provide food options when the café is not open. We will be providing hot meals, healthy snacks, desserts and drink options. Please let one of our dietary employees know if there is something you would like to see in the vending machine. (My daughter, Emily, really wants us to sell root beer.)

Speaking of food, on Thursday, August 25th we had a pizza party for all of our employees as a small thank you for the great care and team work they provide every day. Our beds are almost all full, which reflects the reputation we are developing as the best provider of senior care and services in Sheboygan County. A huge thank you to all of our employees in every department for the great work you do every day.

And speaking of Emily, as she heads off to school she asked me to tell everyone what a great time she had volunteering here this summer and to thank everyone for making her feel so welcome. She is already looking forward to being here again next summer.

And one last reminder that SSC will have a team at this year's **Walk to End Alzheimer's** in Sheboygan County, specifically at Evergreen Park on **Saturday, September 10**. Please see Dana or our Facebook page for more information. As a community devoted to caring for the elderly, we think it is imperative to do our part to find a cure for this devastating disease.

I hope everyone had a great summer. I know I did, and I'm sorry to see it go. But I am looking forward to fall colors, football, and spending more time with the Sheboygan Senior Community Family.

Brat Fry for Tamara

A few weeks ago, one of our nurses, Tamara was badly injured in a rollerblading accident. With medical costs piling up, our Hickory nurse, Kaylene decided to help. She set up a Brat Fry at What's Up in Sheboygan (1635 Michigan Ave.) on Saturday, October 1 starting at 11:00am and going throughout the day. There will be a raffle to win cash prizes as well as baskets full of fun items. Kaylene will be selling raffle tickets starting Tuesday, September 6. If you have any questions, please contact Kaylene.

Chestnut Corner Store:

Check us out!! We got something for everyone, from Brewers pennants to word search books. Treat yourself or buy a gift for a family member or friend. The price is right! And as they say; shopping is good therapy!

Store hours are typically:

M-W-F 9:00am-3:30pm

Browse around or give us suggestions on what items you'd like to see us carry. We are located in the lobby across from the reception desk.
